### Parraip Complexion.

It does not require an expert to deteet the sufferer from kidney trouble. The hollow cheeks, the sunker eves, the dark, puffy circles under the eyes, the sallow parsnip colored complexion Indicates It.

A physician would ark if you had seumatism, a dull pain or ashe in the back or over the hips stomach trouble, desire to urinate often, or ; barning or scalding in passing it; if after passing there is an unsatisfied feeling as if it must be at once repeated, or if the urine has a brick dust deposit or strong odor.

When these symptoms are present, no time should be lost in removing the cause.

Delsy may lead to gravel, catarrh of the bladder, inflammation, causing stoppage, and sometimes requiring the drawing of the arine with instruments, or may run late Bright's Discase, the most dangerous state of kidney trouble.

Dr. Kilmer's Swamp-Root, the great discovery of the eminent kidney and Its reputation is world wide and it is so easy to get at any drug store that no one need suffer any length of time for want of it.

However, if you prefer to first tes its conderful merits, mention the RE-PUBLICAN and write to Dr. Kilmer & Co., Binghamton, N. Y. for a sample bottle and book telling all about it both sent absolutely free by mail.
